

What is Health For All?

Health For All (HFA), a community-based healthcare access project coordinated by Community-Minded Enterprises, has been helping connect people with healthcare resources to establish an affordable primary care medical home since 1998,

We're just a phone call away and our services are free.

Project Access

Project Access is a non-profit organization that coordinates specialty medical services to qualified low-income un/underinsured residents of Spokane County.

To receive Project Access services your primary healthcare provider must refer you to the program themselves for the medical specialty you require.

Project Dental Access

Managed by the Spokane District Dental Society Foundation, this is a dentist led community effort to provide dental care for working low-income uninsured Spokane County residents. For more information or download application go to

www.sddsfoundation.org
